

pos_prop_VERB

A heatmap visualization of a 4x4 matrix. The rows and columns are labeled 'human', 'continue', 'explain', and 'create'. The diagonal elements are all 1.000, represented by dark blue squares. The off-diagonal elements are: (human, continue)=0.000, (human, explain)=0.000, (human, create)=0.026; (continue, human)=0.000, (continue, explain)=0.465, (continue, create)=0.001; (explain, human)=0.000, (explain, continue)=0.465, (explain, create)=0.012; (create, human)=0.026, (create, continue)=0.001, (create, explain)=0.012, (create, create)=1.000. The values 0.465 are represented by medium blue squares, while the other off-diagonal values are represented by very light blue squares.
