

dependency\_distance\_mean

A heatmap visualization showing the mean dependency distance for four categories: human, continue, explain, and create. The diagonal elements are 1.000, indicating a distance of 1.0 for self-comparisons. Off-diagonal elements are 0.000 or 0.937, indicating a distance of 0.0 for comparisons between 'human' and 'continue', and 'continue' and 'create', and a distance of 0.937 for comparisons between 'human' and 'explain', and 'explain' and 'create'.

	human	continue	explain	create
human	1.000	0.000	0.937	0.000
continue	0.000	1.000	0.000	0.000
explain	0.937	0.000	1.000	0.000
create	0.000	0.000	0.000	1.000
